

“Growing Businesses, Delivering Results”

GroConsult
MANAGEMENT CONSORTIUM

www.groconsult.com

WHO WE ARE

GroConsult Management Consortium is a multinational organization, providing business management solutions to its clients and prospects in public or private sectors across the business world.

We have evolved over the years to become the foremost option as solution experts for the challenges organizations face in an ever changing business world through our pragmatic and client centric approach in offering tailor-made services.

VISION

To be a catalyst in organizations who seek to become more profitable, increase productivity and be sustainable.

MISSION

To increase shareholders value by providing unique and innovative business solutions to organizations i.e. multinationals, conglomerates or SMEs

CORPORATE VALUES

■ Integrity ■ Innovation ■ Client Satisfaction

OUR APPROACH

GroConsult partners with clients and offers its expertise in the implementation of the objectives and aspirations of our partners.

Our interventions cut across all sectors, specializing in Payroll & Compliance, Expatriate management, Immigration support, Accounting & Audit, Investment planning among other business solutions, offering specially tailored solutions for effective management and decision making, to meet the peculiar needs of globally responsive companies.

WHAT WE OFFER

IMMIGRATION SUPPORT

We want to enhance the continued value creation your organization deploys on the global economy by partnering with you to support your

organization with expatriate staff management and immigration support services. Companies such as High Street Partners in Boston United States of America, Uniglo Financial Services in Malta and United Arab Emirates, and Access Financial Services in Nyon, Switzerland have significantly benefited from our corporate partnership.

Our well trained and excellent team will readily provide your expatriate staff with work & resident permits, business visas, visa extensions, visa on arrival, re-entry visas, letters of

invitation and all other immigration support required.

You are assured of a passionate and pro-active customer support, competitive pricing and timely delivery using GroConsult as your expatriate support specialists.

EXPATRIATE MANAGEMENT

Moreover, we can arrange affordable, luxury furnished and unfurnished accommodation with car rental services for our clients upon request.

All these auxiliary services are designed to give your human capital the indispensable peace of mind, an inspiring and rejuvenating work & living environment, enabling them to work efficiently, making your company more profitable.

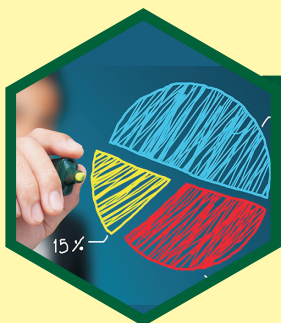

Our management and Expatriate Support are deployed in Ghana, Nigeria, Cote D'Ivoire, Democratic Republic of Congo, Egypt, Congo-Brazzaville and United Arab Emirates.

PAYROLL MANAGEMENT & COMPLIANCE

Payroll management is part of our core operations. We want to partner with you and assist your expatriate staff maximize the value of their income.

Our corporate relations with the Tax & Revenue Authorities will help your human capital benefit from the multiple tax regimes available for the working class in their country of operation. In most business enabling economies, companies and industries are entitled to tax holidays, reduced payment concessions. This is based on their industry class and location. This also allows such organizations to benefit financially from these concessions available, without compromising on the standards of compliance in accordance to the laws of the country in which your business operates.

PROJECT FINANCE MANAGEMENT

A project is usually aimed at producing a unique product or service and can be delayed because of financial constraints. Why wait for this to happen?

We can help you manage your funding efficiently so as to avoid constraints in the implementation of your project by planning and executing funding to achieve the specific goals you desire.

AUDIT & ACCOUNTING

GroConsult Management Consortium delivers stupendous audit and accounting solutions. We want you to benefit from our financial management and

reporting strategies honed from multiple world class industries on 3 different continents of the world.

With our global cumulative managerial experience of over 40 years, our audit and accounting solutions improve efficiency in operations, increase financial reliability and integrity and ensure compliance with laws and statutory regulations.

HUMAN RESOURCE MANAGEMENT

Do you need managerial and executive talent on your corporate team to help boost productivity at your company?

We deliver relevant and trending industry training for staff to upgrade their performance on the job. Your human resource demands continued strategy and development skills in your industry plus operational efficiency to make you profitable. We deliver solutions to make this a successful reality.

GROCONSULT VALUE-ADD

CLIENT CENTRIC SUPPORT

Our client service managers with extensive marketing skills and knowledge will respond swiftly to any query or business request where necessary. We will ensure all needs are distinctively deployed and managed in a unique way to exceed your expectations.

LOCALIZED SERVICE

With operational presence in the West African sub region, we are fully equipped to provide timely, in-depth and localized services to our clients with a touch of quality global service.

PROFESSIONALISM & WORLD CLASS SERVICES

We provide an international approach to contractor management, a professional and friendly approach to ensuring our contractors are always satisfied.

AFFORDABLE BANK CHARGES

We provide very competitive bank charge rates to our contractors due to the multiple bank accounts we have on multiple continents to increase the retained salaries or earnings of our contractors and staff. We can execute multiple transfers of staff income at relatively low bank charges and processing fees.
